

Soul music. With a whole lotta sole.

The *Travelin' Shoes Gospel Choir* is an unconventional group of singers and musicians from all walks of life. But they come together for one reason: **to make a difference, one community at a time.**

The choir accepts no compensation for its concerts. All money donated during this performance stays in Pine Island, benefiting Pine Island Sharing Shelves and the Pine Island Area Home Services.

As if the *Shoes'* exuberant singing isn't enough, the spirited direction of multi-talented Dave Zahn — along with keyboard, percussion, brass horns and harmonica — will be sure to have you on your feet. Come share this energizing experience, and don't forget your dancing shoes!
